

Durham Agricultural Fair Association Contract Amendment.
Pertaining to the Covid-19 Pandemic

At the recommendation of our legal counsel, the Durham Agricultural Fair Association would like to respectfully add to our contracts, the following language due to the current Covid-19 Pandemic. We appreciate our Vendors cooperation during this challenging period.

“No contrary provision of this agreement withstanding, DAFA reserves the right to unilaterally terminate this agreement without liability at any time if: (1) Operation of DAFA's annual fair event is, or becomes, illegal at any time as a result of any statute, executive order, or other law now existing or becoming effective after the date of this Agreement; or (2) DAFA reasonably determines that said fair event will not be economically viable due to public concerns arising from the existence of dangerous communicable diseases including, but not limited to, COVID-19 virus.”
