The Durham Fair is an agricultural NOT FOR PROFIT organization. Fees paid to each act also include entry & parking tickets for the act. All stage acts are a 'plug-in' situation as the fair provides professional sound and light technicians. In addition to talent and workability levels, the Durham Fair selects bands with the intent to spread different genres of music across all stages. Acts are strategically selected so that a fairgoer has the best opportunity to enjoy a variety of music, on EVERY stage.
