

WINTER STORAGE WAITING LIST

Thank you for your interest in winter storage at the Durham Fair. We are an all-volunteer effort, and all monies go to support the ongoing work of the Fair to preserve our agricultural heritage.

The cost is for storage **\$25 per linear foot** (as of 1/2023). We will measure your unit from end to end. Many items have a listed length which may vary from our measurement. For boats, the measured length includes the tongue of the trailer and the drive or swim platform. For RVs and fifth wheels, measurement is from the hitch to the bumper. There is no access to items once they are stored.

We are accepting reservations from our customers from last year. We are happy to put you on the waiting list and will start contacting folks in September if there is availability. We start taking items for storage in late October, Sundays from nine to noon, and will continue until the barns are full or Thanksgiving — whichever comes first. You will be assigned a drop off day and time.

The pickup date is determined by your drop off. We run a first in, last out system. The pickup dates will be three Sundays in April (skipping Easter of course). You will get a post card or letter notifying you of the day and time for pick up. If you cannot make the assigned date and time, you must contact us to make some sort of arrangement because you are likely blocking someone else in.

If you wish to join the waiting list, please fill out the form below and mail it to:

Durham Fair Winter Storage
c/o Pat Whitehouse
37 Gina Drive
Durham, CT 06422

The length of your unit is crucial because we will use it to determine if you will fit into a vacated space. If you list a length that is shorter than the actual and cannot fit in the space available, you will be responsible for the cost of the space you committed to unless we can find another unit to fill it.

Questions? Just ask – by email, text or phone (durhamfairstorage@gmail.com or 860-301-5688).

– Pat Whitehouse
